

INSTRUCTIONParental Involvement

The school board encourages parents to provide instructional assistance to their children in the home. Administrators and teachers shall provide home involvement activities and opportunities for parent training (K-3), including the following:

- Orientation sessions
- Home learning packets
- Review of reading programs
- Newsletters (division, school, teacher, PTA)
- Workshops
- Media materials (computer software, filmstrips, video-strips, cassette tapes)
- Community library resources
- Read-aloud techniques
